

**AT LAST! The news you've been waiting for!**

Next Potluck: Sunday, June 9, 1985 5:30 - 8:30 p.m. at the YWCA --  
Downtown -- 1122 17th Street (between K & L) Bring your  
own beverage and dish to share. (We'll provide paperware,  
hall rental fees -- all help cleanup)

**Steering Committee** has been working hard: drafted Constitution and Bylaws so we can set up bank account, pay for expenses, get ourselves organized -- since we are now about 150! Based on your questionnaires (about 1/3 returned!) here's what we'll be doing to try to make this work for all of us:

1. \$10.00 -- annual dues, entitling to be on mailing list and get all flyers and membership card which gives entrance to all potlucks, monthly meetings which are not special programs, and member discounts at all special events.

2. \$1.00 -- per person door charge for non-members at potlucks.

3. Meeting locations -- in June will meet at YWCA, in July at park pavillion or home w/large yard, in August and thereafter alternating with YWCA, other places. You strongly requested a combination of social time, occasional programs, and structured networking, so we'll be trying different settings and programs to see what works, but stay with potlucks for the refreshments.

4. Sunday, June 9 be there by 6:30 p.m. to discuss, vote on our Constitution and Bylaws, other issues. Bring your cards and flyers to put on new display board now under construction. Membership year starts July 1; please start sign-up in June or send check and any new address, phone, or career interest information to:

8:00 - 8:30 socializing, clean-up

6. Networking Directory -- plan to have available by October 1985! You must decide when you sign up for membership if you want to be

listed, by name, phone #, business name OR career interest. More details about all this will be coming to you soon from the Steering Committee -- watch your mail box!

7. Report on Cabaret fundraiser -- special thanks to our hardworking committee who put together a wonderful event for us: Kim Myrman, Tracey Bingham, Gail Mancarti, Marie Freedlund.

Also, the committee especially asked me to thank: City Picnics, Karen's Capitol Sandwiches, and Tracey Bingham for their donations, hard work, time and effort providing the refreshments! We raised \$325 to start our bank account, buy paper plates, glasses, etc., for potlucks, rent meeting places (like the YWCA), print up membership cards, and so forth until your dues start coming in.

LOTS HAS BEEN HAPPENING! SEE YOU SOON
